UNITED STATES INDIAN SERVICE

Lac du Flambeau School & Agency,
Lac du Flambeau, Wisconsin. November 5, 1918.

Census, 1918.

Commissioner of Indian Affairs,
Washington, D. C.

Sir:-

In reply to Office letter dated November 1, 1918, with reference to the transmittal of census for the fiscal year ending June 30, 1918, I have the honor to enclose herewith copy of the census.

The census for this Reservation was made and completed early in July, and it was due to forwarding of the narrative and my annual report separately that this copy was not sent. As my narrative to annual report was finished about the same time as the census, it was decided to send the two together, however, it now appears in some way the census was missed, and this omission has remained undiscovered.

I thank the Office for calling attention to this matter.

Very truly yours,

James H. Palmer,
Supt. & Spc. Disb. Agent.
